LIFERAFT ACCESSORIES

Fully adjustable universal liferaft cradle that fits most makes of 4,6 , 8, 10 and person leisure liferaft. When installing any cradle additional supports may be required and this must be assessed at point of installation. Supplied with a standard fitting kit.

UNIVERSAL CRADLE

RAF0750
Universal cradle

Dimensions(mm):
Min: 20 x 72 x 40
Max: 40 x 87 x 54

Max weight(kg):
80kg

WEBBING STRAPS

This cradle is pictured with the optional webbing strap. This innovative webbing kit is fully adjustable and gives a quick release solution. At the same time, it provides the basis for hydrostatic release integration with the standard universal cradle and vertical/deck mount cradle.

Webbing straps for universal
and vertical/deck mount cradle
