

RescYou™ liferaft

FACTS:

Date: 03.12.2021

Design: RescYou™

Type:	Traditional yachting and fishing liferaft
Colour:	Fluorescent yellow canopy and ballast bags for enhanced visibility from a distance. Black buoyancy compartments
Sizes:	4, 6 and 8 persons
Materials:	Natural rubber and acrylic/silicon coated nylon
Ballast bags:	4 large quick filling bags - each containing 60 litres – for maximum stability
Retro-reflective tape:	Fitted with SOLAS high-visibility retro-reflective tape on roof, sides and buoyancy compartments.
Lights:	Automatic exterior strobe light and interior light
Special features:	<ul style="list-style-type: none"> - Oversized entrance with inflatable boarding ramp and ladder provides easy and safe evacuation from the water and gives direct access from boat and helicopter for evacuation from within. - Viewing port for cross ventilation and view of the horizon - Insulated floor provides extra protection against hypothermia - Rain collector - Internal and external lifelines - Approved for inflation in -15°C to +65°C
Emergency pack:	Equipped with the ISO emergency pack II. Depending on navigation area and duration of the trip, the ISO pack I may be required. Additional ISO pack I equipment comes in a handy grab bag
Storage options:	Packed in sturdy fibre glass containers or handy water resistant valises
Main areas of application:	Coastal and offshore sailing and fishing
Approval:	ISO 9650 Part 1 certified and ISAF approved Third party verified by Bureau Veritas and Det Norske Veritas

Classic leisure liferaft

Ideal for excursions on the open sea.
